In the event of a tie between two high candidates for any city office another election shall be held on the following Tuesday and two candidates receiving the equal votes shall be the only candidates on the ballot for such election, unless one such candidate shall withdraw from said election in which event the other candidate shall be deemed elected.

The clerk may accept a request for an absentee ballot for an elector from any person designated by such elector. Such request may be made in person, by mail, or by telephone. One request shall be deemed sufficient to receive an absentee ballot for each election which is held within such one year period, provided the elector or his designee indicates at the time the request is made the elections for which the elector desires to receive an absentee ballot.

If a request for an absentee ballot is received after the Friday before the election, by the city clerk from an absent elector overseas, the supervisor shall send a notice to the elector overseas, the clerk shall send a notice to the elector acknowledging receipt of his request and notifying the elector that the ballot will not be forwarded due to insufficient time for return of the ballot by the required deadline.

For each request for an absentee ballot received the clerk shall record the date the request was made, the date the absentee ballot was delivered or mailed, the date the ballot was received by the clerk, and such other information he may deem necessary.

As soon as the absentee ballots are printed, the city clerk shall deliver or mail an absentee ballot to each elector for whom a request for such ballot has been made.
